Subject: Quo Warranto Against Councilmember Macedonio

Importance: High

Dear Mayor & City Council,

I am emailing you in regard to your recent decision to pursue a Quo Warranto on councilmember Karen Macedonio. I want to let you know that I disagree with your decision and feel that there is no supportive documentation or valid reason that would indicate any conflict. Please understand your opinion doesn't represent the will and feeling of the people you serve, such as me.

According to the Attorney General's office it states that the remedy of quo warranto is vested in the People, and not in any private individual or group, because the question of who has the right to hold a public office is a matter of public concern, not a private dispute. We the residents of California City are the people and therefore I don't see councilmember Macedonio having any conflict serving two elected positions that have no relation to one another. No one had an issue the past two years, so no one should the next two.

Sincerely,
Shawn Bradley
Resident
